

## HOME OWNER BENEFITS

**Annual Inspection:** Have the peace of mind knowing your home's plumbing system is being inspected annually by our certified and licensed professionals to spot issues before they can become a problem.

**Priority Service:** We know that when a plumbing emergency arises, you need a technician as soon as possible. As a member of our plan, you will receive priority scheduling to make sure we can take care of those emergencies.

**15% Repair Savings:** Any repairs needed through the year, receive 15% savings over non-members.

**Waived Service Call:** Any repairs needed through the year, receive a waived service call charge.

**Done Right Every Time:** Our trusted professionals use a detailed inspection checklist to ensure nothing is overlooked. You will be provided a detailed copy of the inspection checklist upon completion, which can be compared to previous reports for changes in operation and results.

**Protection:** Our clients have made the choice to protect one of the most important items in their home: the plumbing system. We help make sure their toilets, bathtubs, sinks, water heaters, and washing machines are in great shape for the constant use they endure. Sign up for our "Peace of Mind Plumbing" today and know that our team is there to protect and improve the energy savings, health & safety, and comfort in your home.

"When my shower faucet recently broke, I called them to fix it. The plumber was personable, knowledgeable and showed up promptly." Dave K.

**Peace of Mind  
Agreement:  
\$129 per year**

**“Peace of Mind Plumbing” Club:** Assists homeowners in monitoring and properly maintaining their plumbing system, at our clients’ request we have designed the “Peace of Mind Plumbing Club” plan. This plan was built to give our clients “Peace of Mind.” Our clients have made a significant investment in their homes. We are proud to say that they look to us to help them protect it.

**Purpose:** Ensure that all plumbing fixtures and lines are in proper working order. Early detection helps prevent any future problems that may have otherwise gone unnoticed.

**Professional Qualified Plumbers:** Our plumbers have been professionally trained and work under our NJ Licensed Master Plumber to ensure that all repairs and inspections are completed properly and accurately.
